

Exec Asst to D/Pers

19 Jun 64

Chief, PRD

Rex - Attached are therma copies (sorry they aren't any clearer) of the two sections of the IQ report on Personnel which pertain to recruitment. We have sent a copy of part C on Personnel Processing Costs to POD also since both of you are involved.

15 July has been set as the deadline for us to present our comments to DD/S--on a few items an earlier deadline has been set but these do not include those attached.

Mr. Echols has asked that you assume primary responsibility for drafting our comments on these two sections with such other OP coordination as appropriate.

STATINTL

Can you get your draft in by 10 July?

P.S. I'm also attaching a copy of part D on the A&E Staff. Recommendation 20a would seem to be primarily yours. Since 20b cuts across all lines, we're asking PRS to coordinate all of our comments on it.
